

**ACTSI – CCRC Resources Seminar**  
Sponsored by  
**Clinical Interaction Network (CIN) of the ACTSI**

***"NMR of Carbohydrates and Proteins –  
Structure to Metabolic Conversion"***

**James H. Prestegard, PhD**

Professor, Biochemistry and Molecular Biology, and Chemistry  
GRA/Varian Eminent Scholar of NMR Spectroscopy  
Complex Carbohydrate Research Center  
University of Georgia

***"Glycoproteomics-Based Discovery of  
Biomarkers for Disease"***

**Lance Wells, PhD**

Assistant Professor of Biochemistry and Molecular Biology  
Adjunct Assistant Professor of Chemistry  
Georgia Cancer Coalition Scholar  
Complex Carbohydrate Research Center  
University of Georgia

This seminar will also be webcast at  
<http://www.actsi.org>

**Wednesday May 7, 2008**

**Location: Glenn Auditorium  
Emory Crawford Long Hospital**

**Time: 3:30 – 4:30pm**
