

Community Engagement Program

Grant Writing Academy Sessions
Training for Community-Based Organizations

Do you wish to develop or sharpen your grant writing skills?

Do you wish to develop community-campus research partnerships?

Do you have a great idea but don't know how to get funding?

Here is an Opportunity for You

Who: Those who desire to develop and fund their health promotion and disease prevention projects. There will be opportunities to find out how to collaborate with academic partners.

What: Join Us for A **FREE** Interactive Virtual Webinar Presented by the Georgia CTSA Community Engagement Program; Where you will learn about the 2023-2024 Grant Writing Academy, Capacity Building and Securing Funding for Your Ideas

When: July 18, 2023, 10:30 AM-12:30 PM

Where: Virtual Webinar

Why: Learn the Ins and Outs of Writing Grant: What you should know about federal grant opportunities; Introduction and Methods; How to Conduct Community Assessments; Finding Population Data to Support your Ideas; Writing Effective Goals and Objectives; and Introduction to potential academic partners seeking community collaborations.

Spaces are limited for this virtual training, so please register early.

Registration: Please register below by July 17, 2023
